

2020-2024 County Wide Area Plan Goals

Goal 1: Promote and enhance healthy aging throughout the lifespan by planning, developing, and sustaining an Age-Friendly County of Alameda in the County's unincorporated areas, supporting healthy aging across the operations of all County government departments, and working in collaboration with Age-Friendly cities in all regions of the county. **(see objectives 1.1-1.2)**

Goal 2: Establish a coordinated method of assessing, designing, delivering and measuring the effectiveness of programs for older adults. **(see objectives 2.1-2.7)**

Goal 3: Enhance the health, safety and well-being of older adults and caregivers by providing an array of coordinated services and developing the County of Alameda Aging and Disability Resource Connection as a platform for seamless access to those services. **(see objectives 3.1-3.11)**

Goal 4: Advocate for resources, programs, and collaborative solutions to address critical issues of aging including financial and food insecurity, housing, mental health challenges, safety and elder justice, growing social isolation, complex care needs, dementia and the need for a formal and informal system of caregiving. **(see objectives 4.1-4.17)**
